

## Church collections – the envelope scheme

During the last eighteen months over the period of lockdown there has been a change in the way many of us have made our contributions to Church funds. For a long time, when we were not worshipping in person, many people got into the habit of giving their collection by direct debit to Church funds or regularly transferring money into the Church account. We are now back to worshipping in person but we have noticed that fewer people are using the weekly offering envelopes.

The time has come to order the envelopes for next year, starting in April and it would be good to have an idea of how many sets to order. If you would like to receive a set of envelopes or if you would like to discontinue this way of giving please let us know so we can order an appropriate number. There will be a list up in the welcome area for you to sign.

Thank you

Rosemary Jones
